BOARD ACTION: _____

2. Correspondence and/or Visitors

2.1. Introduction of and Comments from Representatives to the Board

2.2. Public Comment

2.3. Recognitions

Presenter: Dr. Barb Klein

The Ellsworth Community College faculty and staff continue to work with the Equine Advisory Board volunteers on the facility improvement projects. The first phase of the project was the construction of the Hamilton Campus perimeter fence. It was funded through a series of grants and fundraising. The second phase is the addition of an outdoor arena that will soon be moving forward as well. An anonymous \$50,000 donation was made in December 2024 and a portion of that will be used to fund the outdoor "classroom" arena. Other goals in the project are improved parking, arena lighting, and a PA system. All of these improvements serve to enhance the student experience and increases our competitiveness with other venues for rental events. We want to thank our Equine Advisory Board

volunteers, Joel Edge, Bill Horton, Gary Sampson, Robin Sampson, and Dave Sweeney, for their efforts in this project.

2.4. Introduction of New Employees

None.

3. Strategic Presentation - Review of Strategic Plan 2020-2025

Presenter: Executive Leadership Team

Executive Leadership Team members will present on the 2020 to 2025 Strategic Plan for Iowa Valley Community College District. The presentation will outline four main outcomes: providing quality learning experiences, offering resources and support services for student success, addressing community and workforce training needs, and strengthening sustainability through improved processes and employee development.

7.4. Approval of 260F Iowa Jobs Training Agreement with Burchland Manufacturing - \$10,150

Presenter: Neysa Hartzler

We are requesting approval of a 260F Iowa Jobs Training Agreement with Burchland Manufacturing in Gilman, Iowa. Burchland Manufacturing is a small manufacturing company in rural Marshall County. They employ 11 people, 10 full-time and one part-time. Burchland Manufacturing started with one employee (the owner) in 2005 when a construction company came to owner Aaron Burchland with an idea to design and manufacture the silt fence plow. The business started in their home and nearby shop on their property. Within a couple of years, Aaron built a building to manufacture the silt fence plow and develop other products and equipment. As of today in 2025, Burchland Manufacturing engineers, signs, and builds a variety of agriculture equipment including the GSX Driver Over Hopper, Seed Treatment equipment and Nitrogen Bar Head Trailers. They also provide erosion and sediment control by producing products to efficiently control disintegration such as a Silt Fence Installer, a Material Roller, and Straw Crimper. They also

supply equipment for construction projects. This is the very first contract with Burchland and they plan to use their funding for safety including forklift training and OSHA10 for all of their employees.

260F is the Iowa Jobs Training. The 260F program helps Iowa businesses train and upskill current employees. The program fosters the growth and competitiveness of Iowa businesses by ensuring that Iowa's workforce has the skills and expertise needed to compete worldwide. Training programs are customized to meet the specific productivity needs of each business. \$4.75 million is available annually statewide and matched by participating businesses. The contract is Attachment 7.4.
