

## **Board Policy 218: Formulation and Review of Board Policies**

Board of Directors

Policy proposals will be submitted to the Board through appropriate channels via the President, and/or their designee prior to a regularly scheduled Board meeting. The President has primary responsibility for proposing Board policy, and Board members may also propose a Board policy or Board policy change.

Policies will be reviewed at least every five years to ensure relevance to current practices and compliance with the Iowa Code, administrative rules and decisions, and court decisions.
