Registering for College credit

All students must register through the high school counseling office. The High School Dual Credit Application is located on our website: <https://pawpass.iavalley.edu/ICS/Apply/>

Earning credit

A student enrolled in dual credit earns both GHS and MCC/ECC credit. Grinnell-Newburg Community School District pays for the college credit(s). Take each class seriously, remembering that the grade(s) will be permanently recorded on an official college transcript that follows throughout all college endeavors.

Dropping a class

For a student to drop a college credit class, they must go through their high school counselor. The GHS Counseling Office will communicate this drop to the college through the Dual Credit Portal. **The last day to withdraw 2025/26 courses, through the College, is October 17th (Trimester 1), January 30th (Trimester 2), and May 8th (Trimester 3).**

Failing a class

The failure of a pupil to complete or otherwise receive credit for an enrolled course requires the pupil to follow the individual procedures of his/her school.

Transferring the credit to another college

A student must request the transfer of credit by submitting a transcript through the National Student Clearing House by following the this link: [National Student Clearinghouse secure site](#). The College charges a minimal \$7 processing fee to send a transcript. The student must pay this fee; Grinnell High School Community School District does not pay this fee. The transcript may be sent immediately or select 'send at the end of the term' to ensure all grades are posted on the transcript. **As you submit college applications, you need to indicate that you have transfer credits.**
